790 sq.m | : 25

For sale in the Siena countryside a large farmhouse with surrounding land, of about 790 square meters. Currently the state of conservation is a ruin to be renovated, giving the new owner the possibility to customize the spaces according to their needs. The complex is composed of many rooms, distributed over several floors, offering large spaces and the possibility of creating different settings.

The view from the Podere is unique. In a private, easily accessible and dominant position, it offers a 360 degree panorama of the Crete Senesi and the city of Siena,

The property includes, in addition to the buildings, approximately 1.5 hectares of land, with the possibility of purchasing additional hectares, almost all arable.

The structure lends itself to multiple uses, such as a holiday home or simply a respectable private home.

Ideal for those who want to live in a rural environment, immersed in the tranquility of the Tuscan countryside, but at the same time not too far from the main services and the most important cities in the area.

€500,000.00 is required.
