Garden City Punta Cana is a residential project under construction, comprising 21 buildings, nearing completion, with modern apartments of various sizes-one, two, and four bedrooms (starting at 63 square meters), complete with Italian-made furnishings, LED lighting, and air conditioning. Part of the area will be designated for commercial use, while the remainder will be used for recreational spaces.

Some apartments are already fully completed; construction and delivery are scheduled for spring 2027 (guarantee from the Government Bank).

The complex will feature an adult swimming pool, a children's pool, a running track, visitor parking, 24-hour security, a shared garden and private patios for some apartments, a playground, a pet park, a barbecue area, a coworking space, a yoga area, a paddle tennis court, a gym, a shopping center, and a YouTube studio.

The condominium will be accessed via a central tree-lined avenue that allows you to explore the entire project with expansive views of the green space. This green space, spanning a total of 2,266 m², offers excellent views from the apartments, allowing you to fully appreciate the natural landscape. Discover Garden City Punta Cana and immerse yourself in the Caribbean. Just 10 minutes from its stunning white-sand beaches and swaying palm trees, where your dreams come true.

Perfect apartments for local customers, for holidays, pure investment (can be rented all year round at significant weekly prices, to international tourists).

It's possible to buy an apartment for a small fee, with all the necessary guarantees.

Prices starting from 130,000.00 euros at this stage.

Special treatment for multiple purchases.

Location; 10 minutes from Punta Cana airport, 10 minutes from the most beautiful beaches in the area, 3 minutes from the shopping center, 1 minute from the first hospital, 3 minutes from restaurants.
