Historic real estate complex called: le "Badessine", in the municipality of Monteriggioni and precisely in the upper part of the loc. le Badesse, set on three levels, free on three sides, of approximately 380 sq m in total, with approximately 1.5 ha of adjacent land, completely to be renovated.
The property can be divided into several units, it is also very suitable for a family-run tourist/accommodation business or, simply, a house in the countryside for a family that does not want to give up the comforts and services of the city of Siena, thanks to its strategic position.
