This modern first-floor apartment in a highly-regarded condominium on Via Papiniano features two elevators and a double entrance. It has been recently and perfectly renovated, beautifully furnished (all custom-made, high-quality furnishings), and comprises an entrance hall, kitchen/living room, double bedroom with walk-in closet, bathroom with shower, and a cellar in the basement.

Underfloor heating, as well as two split systems for both cooling and air heating.

Suitable as a first purchase for young couples, also excellent as an investment.

An ideal solution for those who want to experience Milan with all the comforts available and just a few minutes from the city's main centre.

Annual condominium fees: €2,500.00 (heating, concierge, stairwell lighting, etc.)

Available immediately.
